

FAQ's

When does online registration close?

Registration will close at the start of your event, so feel free to bring last minute guests with you! Every participant will receive a shirt, but we can't guarantee walk-ups will get them the same day.

Is there a certain date I must register by in order to receive my t-shirt by the day of the event?

Register by April 1st to ensure that you receive your packet in time. If you register after that time, we will do our best to get your preferred t-shirt style shipped by dash day but cannot guarantee delivery due to printing turnaround times. We promise to do our best!

I'm rallying my group. How can people register on my team?

When registering, participants are asked if they are joining a team. This can be the name of a sponsor, name of a hospital, name of a baby or baby's parents, or just a team name you have come up with! Just make sure those you have invited to register know your team name before they register.

When will I receive the Angel Dash packet?

Packets will start shipping every week as we get them ready starting early April. The earlier you register the earlier you will receive your shirt!

Are children welcome?

Yes! All ages are welcome to join us at the dash! However, if you would like your child to receive a dash t-shirt, you must register them as it covers the cost. Children must be supervised at all times and accompanied by an adult on the course.

Sweating just isn't my thing. Can I just make a donation?

You can make a donation on our website here:

<https://www.rachelsgift.org/givinghope>

Thank you for your support!

What is your refund policy?

Refunds will not be granted for the Angel Dash. If you have registered for a location but cannot attend, your registration fee will be considered a virtual registration and you will still receive your Angel Dash shirt!

What time does the event start?

Since you are participating virtually, you can do your run or walk at any time and at any location! No matter what you do, please post a selfie of you and your crew running or walking and hashtag it so you can be a part of the pictures of participants for the event! #angeldash

Where are we walking or running exactly?

You can run or walk anywhere! Or, you skip it and just proudly wear your shirt, we won't tell! Just take a selfie in your shirt and hashtag it #angeldash.

*****Please take pictures and hashtag them so you can be a part of the nationwide event photos! #angeldash**
